

CALL FOR PAPERS – VIRTUAL PARTICIPATION

**Do you teach Information Systems/Technologies
or do you teach using IT?**

**Attend the Special Interest Group for Education Conference to focus on
IS in Educational Research**

**AIS SIGED will hold its annual International Conference on Information
Systems Education and Research (ICISER 2022)**

on

**December 10 -11, 2022 in Copenhagen, Denmark a
hybrid conference in conjunction with ICIS 2022**

The **AIS Special Interest Group for Education (SIGED)** invites you to submit your manuscripts for consideration for the 2022 International Conference on Information Systems Education and Research (ICISER). SIGED is dedicated to promoting excellence in Information Systems education, practice, and research with the objective to provide a forum in which interdisciplinary researchers and educators in information systems can exchange ideas, techniques, and applications. SIGED sponsors an international conference each December at which competitively selected peer-reviewed papers, tutorials and panel discussions are presented. A Best Paper Award is announced in the conference.

The four best papers submitted to AIS SIGED will be recommended for fast tracking to the education section of *Communications of the Association for Information Systems (CAIS)*.

You are invited to submit theoretical, empirical, or descriptive papers (case studies), tutorials, and panel proposals related to the education theme of SIGED's conference. Suggested topics include, but are not limited to: Pedagogical, Educational, Curriculum, Ethical, Social, Enrolment and Administrative Issues.

All papers accepted **after a double-blind peer review process** and presented in the conference will be **published in the conference proceedings**. Conference proceedings are published in the AIS eLibrary and are indexed by Scopus and other databases.

The challenges of modern educational institutions have changed dramatically over the course of the COVID pandemic. Our Special Interest Group for Education (SIGED) has also pivoted substantially since our last in-person AIS SIGED conference in Munich. Education now faces grand challenges, but we do this together and collectively. SIGED 2022 aims to bring together our committee in-person and virtually in a meaningful way to enable a sharing of our best research and ideas on the most important challenges.

Important dates:

Paper submissions date	October 7th, 2022
Author notification date	October 20th, 2022
Author revisions due date	November 10th, 2022
Author registration due date	November 10th, 2022

Submissions may be in the form of one or more of the following:

- completed research paper,
- research in progress,
- descriptive case study,
- extended abstract, or
- proposal for panel discussion or tutorial.

All papers are to be submitted via the Submission System:

<http://sig-ed.informatiemanagement.org/openconf.php>

according to the required Submission Style and Guidelines.

Research papers must be original, unpublished elsewhere, in the style of CAIS/JAIS, and should be no longer than 6000 words and must include an abstract (150-word max) along with the body of the full paper. The reference list is excluded from the word-count!

Research in progress submissions must be at least 2500 words in length, be substantially near completion, and include a one-page abstract.

Descriptive case studies may report specific pedagogical or curricular strategies being employed or under development, and should be no longer than 6000 words.

Extended abstracts must be at least 1000 words in length and identify the primary research question, a preliminary literature review and overview of the planned research methodology.

Panel and tutorial proposals must include the names and affiliations of panellists who have agreed to participate, a 1-2-page summary of the topic and a structure of how the session will be presented.

Authors need to submit their manuscripts electronically via an electronic peer review system in Rich Text Format or Microsoft Word file format. Please refer to the **CAIS SIGED** web site: <http://ais-siged.org> for details.
All submissions will be double-blind peer reviewed.

'Best Reviewer' award will be selected after examining all reviews. The reviewer should have demonstrated the expertise to provide insightful and knowledgeable feedback, should have provided quality reviews which are helpful to the authors of papers, should have displayed collegiality and constructive feedback, and should have completed reviews on time.

Papers judged by the review process to be candidates for '**Best Paper**' consideration will be forwarded for an additional Best Paper Candidate review process. The top ranked papers will be recognized during the conference 'best paper' award presentation. Please note, the papers which exceed the word limit will not be considered for the Best Paper Award.

Notification of accepted papers, abstracts and panels will be emailed to the contact author. For inclusion in the Proceedings, publication ready papers (with changes suggested by the reviewers) must be submitted online by the Publication Ready Revision Deadline (Author revisions due date) and must adhere to required formatting style and guidelines. **At least one author and all members of the panels and tutorials must register (online or in-person) for the conference by the Author Registration Deadline. Otherwise, papers and/or panel discussion/tutorials will not appear in the proceedings.** Papers from previous years may be viewed on-line from the SIGED web site (<http://ais-siged.org/>).

2022 Conference Committee:

Vasso Stylianou (President Elect and Conference Committee Chair), Stylianou.v@unic.ac.cy

Toon Abcouwer (President) A.W.Abcouwer@uva.nl,

Blooma John (Past-President), Blooma.John@canberra.edu.au

Tania Prinsloo (Research Chair), Tania.prinsloo@up.ac.za
